### **Prayer for Grandparents and the Elderly**

Heavenly Father, we thank you for the gift of grandparents and all elderly people. Thank you for their wisdom, their love, their faith and the countless ways they have enriched the lives of others through the years. Surround them with your peace and comfort each day. Grant them good health, renewed strength and joy in their hearts. When they feel tired, lonely or burdened, remind them that they are deeply loved by you and treasured by those around them. Bless their families and caregivers with patience, compassion and kindness. Help us to honour, respect and cherish our elders, listening to their stories and learning from their experience. May your presence be their constant companion, your promises their hope and your love their unfailing source of comfort. Fill their days with purpose, laughter, friendship, and the assurance that they are never forgotten.
